Kitchen & Laundry Solutions

Since 1990

Crafted to Perform Built to Last Unified in Purpose

At Diwan Kitchen & Laundry Solutions, we deliver a comprehensive range of professional equipment designed to work in perfect harmony. From cooking lines to refrigeration, dishwashing, laundry systems, and neutral equipment, every element is crafted for functional compatibility and design coherence.

Our solutions bring together precision engineering, durable materials, and seamless integration — ensuring performance, reliability, and ergonomic comfort. With a unified approach to technology and style, At Diwan transforms your workspace into a streamlined, high-efficiency environment tailored for culinary excellence.

Smart Design Strong Performance Simplified Workflow

At Al Diwan Kitchen & Laundry Solutions, we offer end-to-end services tailored to meet the unique needs of hotels, restaurants, bakeries, hospitals, and catering facilities. From initial consultation and design, to equipment supply, custom fabrication, installation, and after-sales support — we handle every stage with precision and professionalism. Our team of experts works closely with clients to deliver efficient, ergonomic, and cost-effective solutions that meet international standards. Whether it's a full kitchen setup or a specialized laundry system, we ensure seamless execution and long-term reliability.
